Class Of 2012

Mr. McDowell

Letter From The Headmaster

To the Class of 2012,

It is an absolute pleasure to congratulate you as you prepare for graduation from our "Castle on a Hill". It is also exciting to think about what you'll experience as you begin the next phase of your life's journey. You have been a remarkable group of young people and I am confident that your efforts will continue in college and in your future careers.

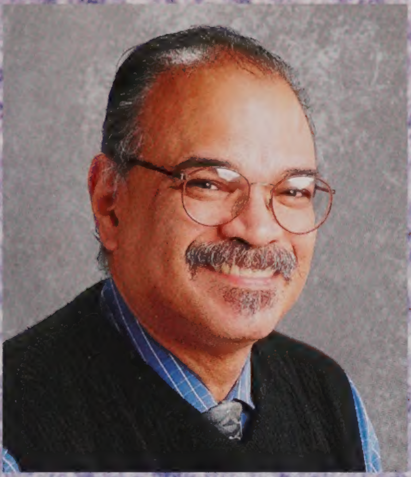
As you will be my 3rd graduating class from Brighton High School, I've seen you all grow and flourish. It has been my pleasure to serve you as the leader of one of Boston's oldest and most successful schools. I am especially proud of how we have all worked together to make Brighton High School an even better school. I'll never forget the bonds we've forged in our short time together. I hope that I have made a lasting impression on you regarding your responsibility to take advantage of every opportunity in front of you.

As you leave our school community and prepare to take the next steps in your life, remember that your education is far from complete. To truly be successful long term you will need to continue your education in some form. Your chosen path can be college, business or technical school, military service, apprenticeship, or on the job training. Your high school graduation is a great accomplishment within itself and should be used as a stepping-stone to reaching your stated goals in life. The Brighton High School community has witnessed your resilience and resolve, and we are confident that you will continue to do great things in the future.

On behalf of the entire administration and faculty, I wish all of you satisfaction and success as you go forward in life as proud alumni of Brighton High School.

Sincerely,

Fred McDowell
Headmaster



Mr. Prieto

Mrs. Judges

Assistant Headmasters

To the Class of 2012,

You have finally arrived to one of the most important moments of your life! Treasure it with every fiber of your heart. You are making a statement that you are ready to face the future, that you are prepared for the next level of life, whether college, vocational training or the military. Embrace and enjoy this moment and then become the best citizen this country can produce. Remember to vote, to volunteer, to be compassionate toward others. Show gratitude to your family, friends, teachers and to whoever got you to this moment. And above all, be the best that you can be, for yourself, your country, your world. Have a happy 2012 graduation!

Good Luck,
Mr. Prieto

To the Class of 2012,

It has been a privilege to work with so many members of the Class of 2012. I have witnessed considerable growth and enjoyed watching you mature into young adults. Over the past four years you have accomplished many goals both personally and academically. I applaud your achievements and encourage you to continue your education and professional growth. You have worked hard throughout high school and will need to continue being committed to accomplish your individual goals. I hope you find satisfaction and motivation in your achievements and continue to work to your full potential. I hope that you are leaving Brighton High School with fond memories and will remember to keep in touch with your peers and the faculty.
Congratulations to each of you! It has been a pleasure to work with you.

Always,
Mrs. Judges
